Keurig Commercial Grade brewers are engineered to stand up to the toughest demands of commercial/office use. Our Commercial Grade brewers generally brew about 10 times the volume of a typical At Home brewer. Commercial Keurig brewers are UL Approved for Commercial Use, and include special construction/materials required for such approval.

OFFICEPRO™

Perfect for the Small Office

COMMERCIAL GRADE BREWER

Commercial Grade Construction

Drainable
Drain switch empties internal hot water tank at the touch of a button.

Auto-Off

Press to automatically turn brewer off in two hours; green when activated.
